Do you own/rent?: (If rent, can you provide proof of permission to foster a dog?)

Where will the foster dog live?

Is your yard fenced? If no, where will the dog be exercised and allowed to eliminate?

What kind of fencing?

What other pets do you own?

Will your foster dog be allowed to interact with your current pets?

Have you ever used dog crates?

Do you own a dog crate?

Why do you want to become a foster home?

Describe any previous experience with Labrador Retrievers:

Do you have a preference as to the sex/color/age of your foster dog?
Please list:

Do you have time to spend with the foster dog, in terms of housebreaking, basic training and good manners? Please keep in mind, the majority of rescue dogs will need that extra help and will not always be "perfect" upon entering your home. They will need attention and work while under your care.

How much time are you willing to work with a foster dog?

Please feel free to attach any more information you would like us to have and email it back to
